SUBJECT: **Operational Procedure for Removal of Homeless Encampments on CCSD Property**

PURPOSE

The Cambria Community Services District owns property, including the Fiscalini Ranch and parcels that have been accepted from the Land Conservancy of San Luis Obispo County. These properties are dedicated to open space and subject to conservation easements. The Fiscalini Ranch and many of these parcels also contain environmentally sensitive habitats, protected habitat of Cambria's Monterey Pine forest. Illegal camping activities on the Ranch and these parcels are prohibited under the East-West Ranch Public Access & Resource Management Plan and the conservation easements, and could negatively impact environmentally sensitive areas.

The District is a special district that provides limited, defined services to the Cambria community. It does not have broader police powers, such as a city or county, and therefore is not in the same position and lacks many of the resources that those types of local governmental agencies have when it comes to addressing the problems of homelessness

In an effort to protect public health and safety of the community at large, homeless encampments, which can pose significant hazards to public health and safety, criminal activity or nuisance conditions, must be removed from Cambria Community Service District property when they are encountered. At the same time, the District is mindful of the rights that homeless persons have to their personal property that is located at encampments.

Based on the foregoing, and recognizing the constitutional rights of persons in encampments whose personal property remains at these locations, the following

procedures must be followed when removing homeless encampments from CCSD property.**PROCEDURES****1. OBSERVATION AND IDENTIFICATION OF ENCAMPMENT:**

- a) Facilities & Resources staff are informed of an encampment located on CCSD property
- b) Facilities & Resources staff conducts a preliminary site investigation of the reported encampment, which should include documentation through photography.
- c) Facilities & Resources staff shall record and document the following information;
 - i. Location of the encampment
 - ii. Date and time of the posting
 - iii. Staff involved in the posting
 - iv. Any contact with individuals

- d) Facilities & Resources staff shall arrange with the San Luis Obispo County Sherriff's Department to coordinate the posting of a NOTICE TO VACATE ILLEGAL ENCAMPMENT (see Exhibit A) at the encampment site and on or near each tent or structure that is subject to removal. The Notice shall be posted no fewer than 72 hours before an encampment removal, and the removal date shall be no more than seven (7) days after the Notice posting date.

2. DETERMINATION OF SHELTER AVAILABILITY AND RELATED OUTREACH EFFORTS

- a) Prior to abatement actions, the District shall make a reasonable effort to determine the availability of temporary shelters spaces for indigent, homeless individuals by contacting appropriate agencies within San Luis Obispo County.
- b) Facilities & Resources staff will conduct outreach with individuals in the encampment to provide and distribute information about shelter resources, and other related services. Outreach efforts must be thoroughly documented and include offers to coordinate transportation to available temporary shelter locations and coordinate with appropriate agencies such as San Luis Obispo County Social Services Department, San Luis

Obispo County Adult Mental Health Services Division CalWORKs Homeless Assistance Program, CAPSLO - Community Action Partnership of San Luis Obispo County Inc., and other service providers to ensure maximum participation in outreach efforts in all phases. Staff should also attempt to obtain the identity of all individuals located in the encampment.

c) The San Luis Obispo County Sheriff's Department should be contacted to determine whether the identified individuals are currently on court-supervised probation or parole, whether the individual has any outstanding warrants, and/or whether the individual is or has committed any criminal offenses.

d) The San Luis Obispo County Sheriff's Department will be requested to accompany CCSD staff during these efforts.

3. PROCEDURES AFTER POSTING

a) Individuals shall not be prevented from accessing the encampment to retrieve personal belongings before vacating the encampment site.

b) Facilities & Resources staff will conduct continuing outreach efforts, and document the same, during the pendency of the notice period.

d) Facilities & Resources staff will endeavor to assist in the coordination of, and transportation of, individuals and personal belongings to available shelter locations and storage program sites, by contracting appropriate County and other agencies.

b) At the conclusion of the notice period, Facilities & Resources staff shall visit the encampment and shall review, collect, and arrange for the storage of any items personal belongings left at the encampment site.

c) Facilities & Resources staff will collect, bag, and label personal belongings left at the site. A "Notice of Collected Property" (Exhibit C) will be posted where the original

"Notice to Vacate" was previously posted and will contain the appropriate District telephone number and information regarding storage and how to recover property.

- d) Facilities & Resources staff shall itemize the personal belongings collected and include the location, date, and time of collection on a CCSD itemization form.
- e) The collected belongings must be stored at an appropriate CCSD facility for at least ninety (90) days.
- f) Simultaneously, Facilities & Resources staff shall visit the encampment and shall review, collect, and arrange for the disposal of hazardous, unsafe, or perishable items left at the encampment site.

- j) After the conclusion of the notice period, Facilities & Resources staff, with the assistance of the San Luis Obispo County Sheriff's Department, will make contact with any individuals remaining in the encampment and attempt to connect supportive services to any remaining individual.

5. FOLLOW UP

- a) Once the encampment has been cleared of individuals and their personal property, Facilities & Resources staff shall ensure that any remaining nuisance conditions (litter, perishable items, waste) are properly removed and abated.
- b) Once the encampment is removed and the property is cleaned up, Facilities & Resources staff shall take such steps as necessary to prevent the reoccurrence of the encampment, including posting of appropriate legal notices, and implementing other appropriate remediation measures.
