Subject: Letter to Board for Consideration of Property Taxes
Date: Friday, November 11, 2022 10:17:26 AM

Dear Board,

Please consider those Property Owners who are prohibited from building due to the water issue one of two ways:

- (1) release Building Ban on 50 Water Meter Positions per year for 5 years at which time it would be reconsidered.
- (2) Cut the Property Taxes by half (50%) on the vacant properties.

THANK YOU FOR YOUR CONSIDERATION

Sincerely,

LINDA PRENTISS

In Topic 6B, the draft October 13 minutes, on page 45, an error documenting the place of residence of Jeffrey Forest. Jeffrey Forest stated that he lives in Boise Idaho, and owns vacant lots in Cambria that he hopes to develop. Mr. Forest's place of residence is correctly identified during public comment under topic 5C.

When reviewing the agenda packet for a Board Meeting, the public often accesses the agenda from the Board Meeting agenda page. When one wants to comment submit written comment on the agenda, one has to hunt for the right place to submit written comment. A link to provide public comment should be provided from the agenda page for each board meeting agenda.
