A. CALL TO ORDER

Chairman Gray called the meeting to order at 10:00 a.m.

B. ESTABLISH QUORUM

Committee members present via Zoom: Tom Gray, Ted Siegler, Cheryl McDowell, Dewayne Lee, and Mary Maher. Absent: Marvin Corne

D. AD HOC SUBCOMMITTEE REPORTS

The only active subcommittee report is agenda item 3B.

1. PUBLIC COMMENT

Committee member Siegler brought up the subject of Water Reclamation Facility (WRF) total costs. Inaccurate WRF financial figures have been discussed in various public forums. General Manager Weigold reported at a board meeting that less than \$7M has been spent over 6 years on the project. The remaining loan amount is \$6.8M so the total cost of the WRF is less than \$14M. There is a desire from some committee members to figure out a way to communicate the WRF financial facts and data to the broader Cambria community. The committee requested that Chairman Gray discuss with the Board members.

2. CONSENT AGENDA

A. Consideration to Approve the March 16, 2021 Special Meeting Minutes

Committee member Maher moved to approve the meeting minutes.

Committee member McDowell seconded the motion.

The motion was approved 4-Ayes (McDowell, Siegler, Maher, Lee), 0-Nays, 0-Abstain, 1-Absent (Corne)

3. REGULAR BUSINESS

A. Review of Third Quarter Budget Report and Staff Recommendations

Ms. Duffield reviewed the budget impact associated with the January storm damage. The total damage estimate is over \$400K. Since SLO county declared an emergency, the district's insurance company assumes that the state will help pay for damages. Therefore, our liability insurance deductible increased from \$1K to \$500K. There was a discussion about elevating the issue with county and state management.

The budget request for storm damage repair only covers the necessary emergent and safety related work. Some of the needed funds come from the facilities and resources budget but the majority are funded from reserves.

The budget request for the skate park design is funded by reallocation within the PROS budget.

Committee member Siegler moved to recommend to the Board approval of the requested budget adjustments.

Committee member Lee seconded the motion

The motion was approved 4-Ayes (McDowell, Siegler, Maher, Lee), 0-Nays, 0-Abstain, 1-Absent (Corne)

B. Review and Discuss Strategic Plan Ad-Hoc Assignment to Identify Under-Funded/Under-Resourced/Under-Staffed Services and Approve Staff Recommendations

Committee member Lee and Ms. Duffield reviewed the progress made by the ad-hoc committee. The committee pulled together a prioritized list of Under-Funded/Under-Resourced/Under-Staffed Services by department.

They also identified some initial ideas for how to proceed with the 2^{nd} action for the subcommittee by identifying funding resources and structural changes to meet unmet service needs.

There was discussion on segregating the requested amount by one-time investment and ongoing maintenance.

The Ad-hoc committee will continue meeting to work on the 2^{nd} action mentioned above.

The committee also heard public comment from L. Swartz.

Committee member Siegler moved to amend the priority list to illustrate how much is a one-time investment and how much is ongoing maintenance. Once this is complete, present the list to the board to complete the 1st action.

Committee member Maher seconded the motion.

The motion was approved 3-Ayes (Siegler, Maher, Lee), 1-Nays (McDowell), 0-Abstain, 1-Absent (Corne)

C. Discussion and Consideration to Approve the Budget Policy Revisions

The Board changed the name of the Sustainable Water Facility (SWF) to the Water Reclamation Facility (WRF) and requested that all policies being updated to reflect the change.

Committee member Maher moved to approve the Budget policy revisions.

Committee member McDowell seconded the motion.

The motion was approved 4-Ayes (McDowell, Siegler, Maher, Lee), 0-Nays, 0-Abstain, 1-Absent (Corne)

D. Discussion and Consideration to Approve the Reserve Policy Revisions

The Board changed the name of the Sustainable Water Facility (SWF) to the Water Reclamation Facility (WRF) and requested that all policies being updated to reflect the change.

Committee member Siegler moved to approve the Reserve policy revisions.

Committee member Lee seconded the motion.

The motion was approved 4-Ayes (McDowell, Siegler, Maher, Lee), 0-Nays, 0-Abstain, 1-Absent (Corne)

E. Receive Update on Fiscal Year 2019/2020 Audit

Ms. Duffield reported that the auditors will be on site the week of May $3^{\rm rd}$.

F. Receive Update on Tyler Incode

Ms. Duffield reported A/P and Purchasing went live the week of April 4^{th} . The 1^{st} payroll was processed the week of April 12^{th} . The 2^{nd} payroll is being processed this week without assistance from Tyler.

The finance team is working on configuration of the utility bills. The next bills residents receive will be from the new system and will look a little different.

4. FUTURE AGENDA ITEMS

Chairman Gray asked for any future agenda items.

There was discussion of when we would be able to meet in person. CCSD is following the county guidelines. Once our county moves to a tier that allows in person meetings, we will follow the appropriate guidelines.

We will review the preliminary FY 2021/2022 budget at the next meeting per budget policy guidelines.

CAMBRIA COMMUNITY SERVICES DISTRICT

TO: Standing Finance Committee AGENDA ITEM NO. **4.A.**

FROM: John F. Weigold IV, General Manager

Pam Duffield, Finance Manager

Meeting Date: May 25, 2021 Subject: Review and Discuss the FY 2021/2022

Preliminary Budget and Provide Recommendation(s) to the Board

Recommendation:

Staff recommends the Finance Committee review and discuss the FY 2021/2022 preliminary budget and provide recommendations to the Board of Directors.

Summary:

The development of the FY 2021/2022 preliminary budget is being presented to the Finance Committee prior to consideration by the District Board of Directors on June 17, 2021. Staff has worked to conform with the District's Budget Policy (see below).

Under CCSD policy, the Board of Directors must consider a final budget prior to September 1, 2021. The purpose of this preliminary budget is to establish the District's revenue and expenditure plans for the upcoming fiscal year, and this preliminary budget must be approved by the Board of Directors prior to July 1, 2021. The final budget will include fund balances and reserve designations.

The later date (September 1st, 2021) for approval of the final budget provides the District with an opportunity to close the current year's accounting records and determine beginning fund balances for the upcoming fiscal year. Once the current year's accounting records are closed and next year's beginning fund balances are determined, then the revenue and expenditure plans adopted in the preliminary budget will be used to estimate fund balances at the end of the upcoming fiscal year, which will be June 30, 2022.

With the adoption of the final budget, which is anticipated for the Board meeting of August 19, 2021, the Board does have discretion to modify the revenue and expenditures approved in the preliminary budget just as the Board can modify the budget during the fiscal year. The budget schedules are set up to track any mid-year budget adjustments that are approved so that quarterly budget reviews by the Finance Committee and the Board of Directors during the upcoming fiscal year will illustrate the original approved budget and any approved mid-year budget adjustments.

District Budget Policy:

On May 13, 2021, the District Board of Directors reviewed, updated, and approved its "Budget Policy" which can be located at the following link:

https://www.cambriacsd.org/files/ef3980213/CCSD+Budget+Policy++Board+approved+on+05-13-21.pdf

The budget policy includes several procedures that guide budget preparation. The attached budget schedules have been prepared to provide the committee with the ability to consider revenue and expenditure plans required in a preliminary budget.

The following is a list of the procedures included in the District Budget Policy:

- A. Plans, Goals, Resources
- B. Calendaring
- C. Mid-year Budget Update
- D. Organization Chart and Position Allocation Listing
- E. CIP
- F. Overhead Allocation
- G. Income Allocation Property Tax and Other
- H. Structure
- Consolidation Entries

The following provides a status on each procedure:

A. Plans, Goals, Resources

The following is a summary of the requirements of this budget procedure:

- A budget narrative that discusses the following:
 - Measurable goals, objectives and plans
 - Trade-offs between competing objectives
 - Mid-year reporting on achievements and gaps

Staff has not yet drafted the budget narrative. Committee discussion on these points will be helpful for upcoming preparation of the narrative for Board consideration.

B. Calendaring

The "Calendaring" budget procedure establishes the timing of budget preparation and review. The status of budget efforts complies with state statutes, the timing established in the Calendaring section of the budget policy were met.

C. Mid-year Budget Update

During the past fiscal year, staff has presented a quarterly update to both the Board and the Finance Committee, which have included any required budget adjustments. There is no longer a Mid-Year Budget Update, as staff has been providing these updates on a quarterly basis and will be continuing this process into future fiscal years.

D. Organization Chart and Position Allocation Listing

Staff has completed a draft of the current and proposed organization charts and the position allocation list. Recommendations on staffing includes reclassifying the Facilities & Resources Supervisor to a Facilities & Resources Manager. This position is funded 100% by the General Fund.

E. CIP (Capital Improvement Plans)

This procedure has been completed and budget recommendations on CIP are ready for committee consideration. Some trade-offs exist that will require discussions. The CIP prioritization efforts that have been reviewed through the past fiscal year by both the Resource & Infrastructure and Finance Committees have provided the groundwork for considering CIP related budget recommendations.

F. Overhead Allocation

This procedure has been completed consistent with the Budget Policy. The overhead allocations are included in the Administrative budget schedules.

G. Income Allocation – Property Tax and Other

This procedure has been completed consistent with the Budget Policy. The majority of property tax revenues are allocated to General Fund budgets and a small amount allocated to the Wastewater Enterprise Fund budget to offset low-income rate reductions.

H. Structure

This procedure has been completed for the preliminary budget. Details associated with fund balances are included in the final budget, as previously discussed in the Summary of this staff report.

I. Consolidation Entries

This procedure has been completed. This procedure includes direction to create "Eliminating Entries" to avoid overstating revenues and expenditures. Eliminating entries are, however, more closely associated with financial audits and annual reports that are prepared in accordance with Generally Accepted Accounting Principles (GAAP) and related authoritative proclamations published by the Financial Accounting Standards Board (FASB) and the Governmental Accounting Standards Board (GASB). Eliminating entries are not typically associated with budgeting of governmental funds since interfund transfers and overhead allocations are allowable transactions provided specific criteria are met to ensure that standards associated with governmental fund accounting are not violated. The budget schedules have been developed so that interfund transfers and overhead allocations are easily identified.

Budget Schedules:

The following budget schedules are attached:

- Consolidated General Fund Summary
 - Summary and Detailed Schedules for each General Fund budgets:
 - Fire Fund
 - Facilities and Resources Fund
 - PROS (Parks, Recreation and Open Space) Fund
 - Administrative Fund (Including the Overhead Allocation spreadsheet)

 - Wastewater Fund
- Other Schedules
 - Staffing Information
 - Salary Schedule
 - Position Allocation Listing
 - Organizational Charts
 - Capital Improvement Project Listing
 - Department Line Item Budget Requests
 - Reserve Estimates at June 30, 2021

Budget Discussion Topics:

Staff is prepared to review each of the budgets in the order listed above. The following is an outline of the topics that staff is intending to cover while reviewing the budget schedules.

- 1. Is the budget balanced as presented or are additional decisions needed so that it can be balanced?
- 2. How were the revenue and expenditure estimates determined?
- 3. What are the trade-offs?
- 4. What budget requests have been submitted but are not included in the attached schedules since they have been considered to be un-fundable?
- 5. What supplemental revenues, if any, might be available to help close budget gaps?
- 6. What special studies or other work is required next year?
- 7. What CIP project activity is anticipated for next year?
