The Bike Kitchen. Need a container to fill with debris.

4. Presentations

Aaron Linn gave information on past Eroica held in Cambria last April 3, 4, 5 of 2019. We are the only offering in the United States. Made up of environmental-conscious riders, held in similar places such as Cambria, bikes used are from 1987 and earlier. Not a competition but a ride. Choose a non-profit to donate the funds. Lions Club has been approached to provide volunteers in serving food and other services from 5:00 a.m. to 4:00 p.m.

Kaori Peters, organizer and professional photographer, was flown to Italy for the current ride.

It was suggested that a placard be placed along Hwy. 1 with Eroica National Route displayed to let people be aware that 1200 -1300 people will be participating. Started out at 5:00 a.m. in small groups.

Dinner for riders after they complete the route. Last year they stayed overnight on the grounds opposite Jim Bahringer's property.

Cancer Society was the benefactor of last year's funds.

Suggested the East/West Ranch meadow could be used. Could serve 900 riders spaced out in small groups. CERT could help w/ traffic control.

Rent hotels, vacation homes for the week-long overnights.

Moved by Jim Bahringer to accept as a fund raiser, seconded by Adolph Atencio
