Suspension of Intent to Serve Letters

At their August 19, 2021 regular meeting, the CCSD Board of Directors passed Resolution 34-2021 suspending all active Intent to Serve letters until such time as the CCSD's pending Instream Flow Study is completed and presented to the Board of Directors for acceptance. After this event, CCSD staff will bring a report to the Board regarding the status of the suspended ITS letters for review and consideration. Your letter will remain valid in a state of suspension until the Board's next action at a date uncertain. You will be notified when the status report is agendized for Board review.
